## Musiq Soulchild Soulstar Zip

Hook:LoveSo many people use your name in vainLoveThose who faith in you sometimes go astrayLoveThrough all the ups and downs the joy and hurtLoveFor better or worse I still will choose you firstVerse 2:Many days I've longed for youWanting youHoping for the chance to get to know youLonging for your kissFor your kiss, for your touch, for your essence (your beautiful essence)Many nights I've cried from the things you doFelt like I could die from the thought of losing youI know that you're realWith no doubt or no fearsOr no questionsHook:At first you didn't mean that much to meBut now I know that you're all I needThe world looks so brand new to meNow that I found loveEveryday I live for youAnd everything that I do I do it for youWhat I say is how I feel so believe it's trueYou got to know I'm true, love.. Musiq-LOVEVerse 1:LoveSo many things I've got to tell youBut I'm afraid I don't know howCause there's a possibilityYou'll look at me differentlyLoveEver since the first moment I spoke your nameFrom then on I knew that by you being in my lifeThings were destined to change cause.
